# WELCOME TO THE LAKE PROCTOR WILDERNESS AREA

## EXPLORE ONE OF SEMINOLE COUNTY'S NATURALLY BEAUTIFUL PLACES

A hike through this Geneva property will take you through habitats such as sand pine scrub, pine flatwoods, sand hill, and bayhead swamp. You could be rewarded with sightings of wood ducks, white-tailed deer, red foxes, and Florida worm lizards. The red trail provides an opportunity for viewing habitat restoration in progress, including areas recently burned with prescribed fire.

**TRAILS AND ACCESS:** The trail system at the LPWA consists of one main loop trail (2.6 miles) blazed in red, and three side trails blazed in orange (.45 miles), blue (.6 miles) and yellow (1.6 miles). These trails will take you through pine flatwoods, sandhill and beautiful oak hammocks, and offer a scenic look at Lake Proctor. In an effort to protect the resources of this relatively small wilderness area the trail system is limited to hikers, bikers and local equestrians.
